REBLAST

PROTECTION AND
BREATHABILITY

REBLAST sneaker offers extreme lightness and high technicality in a fresh and functional look.

Description

REBLAST is a sneaker created using an EVA sole and a rubber track. Combines fused printing with mesh in the upper, which has the following components:

- Removable insole;
- Laces.

Users

REBLAST is ideal for activities in which professionals spend many hours standing and tend to have fatigue and discomfort in their feet and legs, namely:

Catering industry

Beauty & Cosmetic Institutes

Geriatrics and Physiotherapists

Everyone with an active life

Specifications

Super Light

Feelite™ technology produces remarkably light, resistant and comfortable footwear.

Shock Absorption

The special design helps to reduce the occurrence of micro-lesions in tendons, bones and joints, and the feeling of tired legs.

Closed Heel

Additional support for the moments that require extra agility.

Removable Insole

It's detachable to allow a deeper cleaning.

Breathable

Regulates the temperature and humidity of the foot.

Washable

The footwear can be machine washed up to 30°C.

Unisex

Style designed to be worn by men and women.

Materials and Technologies

REBLAST is made with **Feelite™** technology. This technology is super lightweight and provides extreme comfort.

PROBREATH™ technology brings protection and breathability combined with antislip for a fluid and full performance.

Technical Standard

CE
Regulation (EU) 2016/425.

Technical Specifications

- Machine washing up to a maximum of 30 °C;
- Slip-resistant;
- Resistant to abrasion.

Care and Cleaning

Wash: Machine washable up to a maximum temperature of 30°C. The removable insole cannot be machine washed. It should be wiped with a damp cloth.

Dry: Wipe with a cloth or dry at room temperature, without direct exposure to light.

Attention

REBLAST resists several washings at 30°C in washing machine. It is not recommended the use of bleaching agents during washing machine cycles at 30°C.

To keep your shoes new and beautiful for much longer, it is essential to follow some recommendations: Avoid getting your shoes wet, but in case this occurs, never place them in the sun.

Let them dry in the shade and also away from any other source of heat, because heat damages the materials, the colour and the texture.

A soft cloth is the main ally of this type of shoe and its cleaning should be done weekly or whenever necessary.
